

# Recycling. . .

## Steel & Aluminium Cans

It's Better **OFF**  
to **Recycle**

### You really can turn your cans into trees!

For every tonne of aluminium  
we recycle here in the UK,  
Alupro has committed to  
plant one tree in  
Burkina Faso.

Please ensure that all  
items are washed or rinsed out.

Steel is **100% recyclable** and can be reprocessed  
again and again without loss of quality.

Find out more about recycling, email:
